Go past Cranbrook buildings (through stop sign) and at the bottom of the small hill turn right immediately before Orchard Ridge Rd. Go through opening in brick wall. Parking lot should be on your left. Make sure to park down by the circle drive past the football field that will be on the right.

There's a long walkway immediately after a small circle drive on the right. That walkway is where the swimmers/parents go to get to the pool. Go into the building entrance at the top of the walkway (on left). Go down long hallway until you can turn right. Go right, follow hallway and you should come to a T. Go slightly right to see a set of stairs that goes to the spectator area of the swim pool. The swimmers should go to the left down the ramp to the locker rooms to change/get to the pool.
