

Directions to Berkley High School (POOL)

Take left off of Derby Rd onto Adams Rd going South

Take Adams Rd south until it merges into Woodward

Merge left (South) onto Woodward

Take Woodward to Catalpa

Turn right (West) onto Catalpa

Follow the map for parking and entrance into school. Parking seems to be across the street (Catalpa). There's an entrance around back for team and spectators as well. I will look for parking behind the school, before I park across the street. See map for more specifics on the building layout.

Note:

I have never been to Berkley HS pool, so I apologize for not having more detailed instructions once you get to the high school. I will be in the same situation as everyone else that hasn't been there. 😊
